R. Van Buskirk, Esq., one of the most respectable druggists in Newark, New Jersey, informs us that he can refer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character well known. United States Offices.—Cap' G. W. McLean, member of the New Jersey Legislature, late of the United States Navy, has kindly sent us the following certificate.

It tells its own story : Rahway, January 25, 1847. A year since I was taken with the influenza and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles I was very much relieved, and attributed it entirely to the said Sarsaparilla I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. McLEAN. THE EDITOR -John Jackson, Esq., Editor of the Rah way Republican, published the above certificate, and remarked in an editorial as follows:

The success of Dr. Townsend's preparation of Sarsa parilla appears to be of the most extraordinary charac-Rahway .- Capt.
